Jim Caviezel, who plays a sexy CIA agent on CBS's "Person of Interest," turning heads while walking into the Sanctuary Hotel in black boots and jeans on a break from filming his series on West 47th Street. The actor sent two security guards ahead to make sure the staff could show him several rooms when he arrived . . . **Hannah Bronfman** and **Mirabelle Marden** testing out new Web site The 24th Letter at its launch party at new bi-level NoHo restaurant Acme.
